

VIDASuite™ Advantage

Cloud-based modular solutions for payers

- ✓ Targeted functionality, flexibility & scalability
- ✓ Low cost of ownership while minimizing risk
- ✓ Government programs support & compliance
- ✓ Seamless integration to existing systems
- ✓ Agile development & rapid implementation

VIDAContract™

Simplify Complex Contracts

Cloud-based provider and facility contract management solution that is highly flexible and configurable to the specific needs of the organization.

Emerging new business models like ACOs and value-based reimbursement and ever-increasing provider network consolidations require more flexible approach for contract management to ensure proper pricing and payments. VIDAContract™ simplifies managing contracts for health care payers to overcome the increasing complexities.

VIDAContract™ Benefits

- ✓ Increases productivity by simplifying and streamlining contract management
- ✓ Improves organization's performance through accurate pricing and payments

VIDAContract™ Standard Features & Advantages

- Allows to add single or multiple coverage groups to a contract and assign a fee schedule to a coverage
- Handles all types of payment methods to calculate payments, including per diem, variable per diem, case rate, flat rate and Fee for Service
- Identifies contracts as Participating (PAR) or Non-Participating (Non-PAR)
- Assigns PAR and Non-PAR contracts per a Line of Business (LOB)
- Enables to configure authorization requirements, assign rates to a fee schedule and define effective and termination dates at the contract coverage level
- Allows to configure bill types at the contract-coverage level and confirm billed charges that apply
- Ability to flag a contract coverage to pend a claim for manual review
- Permits to define the place of service at the contract-coverage level and apply timely filing days per State or Federal requirements
